BT-1350FY-SV

3-Door Sliding Glass Back Bar Refrigerator | Technical Specification Sheet

PRODUCT OVERVIEW

Commercial undercounter beverage refrigerator with three space-saving sliding glass doors, fan-assisted cooling, digital temperature control, LED cabinet lighting and R290 refrigerant.

TECHNICAL DATA

Product reference	BT-1350FY-SV (customer item reference)
Manufacturer reference	BT-1350FY
Product type	Back bar beverage refrigerator
Door configuration	3 sliding glass doors
Capacity	290 L
Operating temperature	+1 to +10 °C
Cooling system	Ventilated / fan-assisted
Temperature control	Digital
Refrigerant	R290
Lighting	Interior LED
Door frame / glazing	Aluminum alloy frame / coated glass
Insulation	Integral foam
Mobility	4 castors with braking system
Electrical power	350 W
Dimensions (W x D x H)	1350 x 550 x 860 mm
Net weight	91 kg
Compressor supplier	Donper / Wanbao / Huayi (varies by unit)

ELECTRICAL CONFIGURATION - TO VERIFY

The manufacturer pages do not confirm the voltage, frequency, phase, rated current or compressor horsepower for the exact -SV item. Do not use estimated amperage for electrical installation or breaker sizing. Verify the rating plate before publication.

SOURCE AND DOCUMENT STATUS

Compiled technical sheet based on Snow Village published specifications for BT-1350FY. This is not an original manufacturer-issued PDF. The suffix -SV has not been independently verified as a distinct manufacturer configuration.
