Display Chiller Upright Countertop With 4 Glass Sides

OMAJ XC-78L Display chiller upright countertop, self-contained, is a single door upright cooler for merchandising. This unit gives excellent view of cooled food items and maintains temperatures in a range of 0° - 12°C (with temperature controls), while achieving a low power consumption of only 200 watts. It features clear glass windows on each side and Interior LED lights to provide the best experience for customers. The cooler includes three shelves, which can be easily adjusted to fit your needs.
